

CREDIT FOR MILITARY SERVICE

Overview

Veterans who have served on active duty a period of one year or longer and who have received other than a dishonorable discharge may be granted four (4) units of credit. The units will be designated as "Military Credit" on the transcript. To apply for these units the veteran must present the D.D. Form 214 to the Admissions and Records Office. Credits are elective credits for the A.A. or A.S. degree only and do not apply to certificate programs.
