

ORIENTATION

Falcon Edge Orientation

Orientation-Counseling is required for all first-time, new-to-college students, and an Orientation-Counseling (ORI) hold will appear in their MyCerritos account. Enrollment in classes will not be permitted until this requirement is fulfilled. The online Falcon Edge Orientation is available in both English and Spanish and can be started, stopped, and resumed at any time by logging into MyCerritos at www.cerritos.edu (<https://www.cerritos.edu/>) and selecting Falcon Edge Orientation. While transfer, returning, and dual enrollment students are highly encouraged to complete orientation, they are not required to do so. Exemptions apply to re-admit and transfer students, and some additional categories of students. Please contact the Counseling Office for details.
