

CAREER SERVICES

Overview

The Career Services office supports the college student journey by helping them choose majors, make career decisions, develop educational plans to meet academic and career goals, and prepare for employment. Career Services provides resources, programs, and services that empower students to engage in intentional major and career exploration, cultivate a sense of purpose, develop career readiness skills, and take strategic action to achieve success.

Services include:

- Career counseling
- Major and career exploration
- Career assessments
- Majors fairs
- Job search resources
- Employment listings
- Job fairs
- Resume assistance
- Interview preparation
- Admission assistance for adult re-entry students
- Support for adult re-entry students transitioning back to school
