

CHILD DEVELOPMENT CENTER

Overview

The Cerritos College Child Development Center Program is open for services to students, college employees, and the community. The Center is also a laboratory school for future teachers in the field of Early Childhood Education. We are committed to providing an outstanding quality program that is welcoming, nurturing, stimulating, creative, and safe for children ages 2 to 5 years old. We are a 5-star child development program inspired by the Reggio Emilia approach to learning. We pride ourselves on building meaningful relationships where the children, families, and community are at the heart of our preschool program. The Child Development Center is open Monday through Friday, from 7:30a.m. to 5 p.m.
