

UMOJA PROGRAM

Student Success Program for Black & African American Students

Umoja Success Program

Join the Umoja Success Program and become part of a community of scholars designed with your success in mind! The Umoja Success Program supports African American students and others in achieving academic and personal growth through exploration of Black culture, history, and lived experiences. This program offers a dynamic learning experience, fostering strong connections among students and faculty dedicated to your success. Make Umoja your home and take the next step today!

What's in it for you? A supportive community, educational trips, mentorship opportunities, free school supplies, and much more!

"If you want to go fast, go alone. If you want to go far, go together." — Umoja!
