

VETERANS' SERVICES

Overview

The Veterans Resource Center (VRC) supports, empowers, and cultivates an atmosphere of growth and learning for military-connected students at Cerritos College. The VRC provides services and resources to meet the unique needs of our student veterans and military-connected students. The VRC team is dedicated to supporting students in achieving their academic goals with respect, dignity, and compassion.

Veterans' Resource Center

The VRC offers a diverse range of programs and services that cater to our military-connected community. We aim to create an environment that fosters learning and camaraderie, and we achieve this by offering a diverse range of targeted programs and services. These services include certification of benefits, academic counseling, on- and off-campus referrals, tutoring, computer and printing services, and more.

Student Veterans Club (SVC)

The Student Veterans Club is a student-run club that supports veterans and the military community. Events include beach trips, bowling, dinner outings, college tours, 5K runs and walks, and more! The Student Veterans Club is also a registered chapter of the Student Veterans of America (SVA), a national organization that offers nationwide scholarships, networking opportunities, and internship programs. All students on campus are welcome to join us!
