

ACADEMIC ENGLISH FOUNDATIONS FOR MULTILINGUAL STUDENTS

CERTIFICATE OF ACHIEVEMENT

The Certificate of Academic English Foundations for Multilingual Speakers prepares multilingual students for success in college-level coursework by building advanced academic English skills across reading, writing, listening, and speaking skills needed for academic coursework, career training programs, and workplace communication environments.

Program Student Learning Outcomes

- Students will produce academic English by responding to level-appropriate texts in presentations and organized paragraph- to essay-level writing.
- Students will apply integrated English language skills (reading, writing, listening, and speaking) to communicate effectively in academic and introductory workplace contexts.
