## ASSOCIATE OF ART

Cerritos College Chinese Program seeks to provide courses that will fulfill part of the general education requirements for other majors. Our courses are necessary for many students to complete their General Education requirements. The purpose of this major is twofold: to develop proficiency in written and spoken communication as well as to foster an appreciation of cultural diversity and global awareness.

### Program Student Learning Outcomes

- Students develop proficiency in written and spoken communication.
- Students translate Chinese passages at an intermediate middle level.
- Students recognize and write 200 new Chinese characters.
- Students learn the historical, cultural, political, and economic contexts in contemporary China.
- Students analyze and interpret the role, status, and issues of religion in contemporary China.
- Students develop and foster an appreciation of cultural diversity and global awareness
