

# FILM PRODUCTION (A.A.)

## ASSOCIATE OF ART

The Film Production program provides students with a comprehensive foundation in Film Production, Cinematography, Editing, Screenwriting, Film History and Critical Analysis/Appreciation of Film as an art, craft and global industry. Upon completion, students may choose to pursue a variety of Film and entertainment-related careers and advanced degree options. This degree is intended for students who are interested in a career in Film Production at Major Film Studios, Production Companies, and as Independent Producers, Writers, and Directors in the entertainment/film industry.

### Program Student Learning Outcomes

- Students demonstrate effective communication skills through oral and written project proposals.
- Students develop awareness of the need for studying other visual and performing arts in content creation.
- Students identify the importance of skills in the field of motion picture, television and media production.
- Students learn that technology is a necessity for them in the field of motion picture, television and media production.
- Students learn the collaborative nature of content creation in the field of motion picture, television and media production.
