

FILM, TELEVISION AND ELECTRONIC MEDIA (AS-T)

ASSOCIATE IN ARTS FOR TRANSFER (AA-T)

The Associate in Science for Transfer Degree in Film, Television & Electronic Media is designed to build students' performance skills in the areas of the film, television and digital media industries –including production and operations; to enrich students' aesthetic and intellectual proficiency in film, TV & the digital media landscape; and to provide pre-professional training. The program also offers training in traditional motion picture production, film cinematography and television/audio production as well as contemporary courses in documentary production, motion graphics, commercial/PSA production, and digital media content. This degree provides seamless transfer to the CSU system.

Program Student Learning Outcomes

- Create effective communication using written, oral and audio/visual methods in a media context.
- Integrate critical thinking into a media context.
- Integrate standards of professional conduct in a media context.
- Develop both technological and digital proficiency in a media context.
