

INTERNATIONAL STUDIES: GLOBAL STUDIES (A.A.)

ASSOCIATE OF ART

The goal of the Cerritos College Associate of Arts in Global Studies is to introduce students to the concept of globalization and its implication for their future career in global studies and related disciplines.

Program Student Learning Outcomes

- Students analyze the impact of fiscal and monetary policy on the economy.
- Students describe how households maximize utilities and firms maximize profits in different market structures
- Students evaluate the costs and benefits of government intervention in markets.
- Students locate and utilize data to critically interpret economic information using quantitative methods.
- Students understand the basic principles of a market economy and its principal economic institutions
