

BUSINESS ADMINISTRATION: INTERNATIONAL BUSINESS (A.A.)

ASSOCIATE OF ART

The Business Administration: International Business A.A. Degree provides students with credentials that are the key to individual self-efficacy and a meaningful career. Mastery of this curriculum will help students lay the groundwork for managerial competence in the global marketplace. International Business education also helps students understand basic management functions, their interrelationships, and the organization's competitive niche. There are numerous career opportunities that exist in the Business Field including Industry, Government, and Self-Employment.

Program Student Learning Outcomes

- Students utilize current business technology to analyze and evaluate the international business environment.
- Students identify the impact of the cultural diversity in a global work place.
- Students explain the supply chain for a product moving from the field or factory to the shelf or consumer.
- Students identify the legal aspects of conducting business in a global environment.
- Students recognize the effect of global economics on the domestic business environment.
