## ASSOCIATE IN ARTS FOR TRANSFER (AA-T)

For those interested in a legal career especially the goal of entering law school, successful completion of the Pathway to Law School program and the attaining of an Associate of Arts Degree for Transfer (ADT) in Law, Public Policy, and Society, affords students with a clear pathway from community college to law school. ADT students are granted admission priority to their local California State University campus and to a program or major similar to their community college major or area of emphasis, as determined by the California State University campus to which the student is admitted. Students seeking an ADT in Law, Public Policy, and Society enhance their readiness to pursue majors in Business, Communication Studies, Economics, Philosophy, Political Science, and Social and Behavioral Sciences, leading to opportunities in the legal profession.
