

PROFESSIONAL ACCOUNTING (A.A.)

The Professional Accounting Associate of Arts Degree is for students working toward a career in accountancy. Mastery of this curriculum will help students begin to lay the groundwork for becoming a Certified Public Accountant. The Professional Accounting education also helps students understand basic accounting functions, financial statement preparation and interpretation, and the role and contribution of accounting in an organization.

Program Student Learning Outcomes

- Successful students in Accounting and Finance will demonstrate their knowledge of all tasks associated with Financial and Managerial Accounting concepts necessary for acceptance into a Business or Accounting Bachelor's degree program at a University or for a vocation in accounting
